Hi Heather,

Thanks for the process confirmation. Just an addition and not removing the old one.

I agree that it would be nice to have the snow and not rain!

Thanks again.

Debra

Hi Debra:

Nothing special. You aren't removing the older memo right? Just adding an additional addendum. So just load and CBI clear. Just make sure to select the correct tab on the clearance form that it's not associated with an FR, etc. and can post after clearance.

LOL on your dog. I'm looking forward to the potential snow this weekend. I hope it doesn't turn to rain☺

Subject: Quick question?

Hi Heather,

How are you doing? I hope you are staying warm....I think the colder it has gotten, the longer our dog wants to stay outside and walk.

I have a quick FDMS/posting question. I recently received an addendum to the Aldicarb BEAD memo for this action. Is there anything special that I need to do to have this posted? Or the usual load to FDMS, CBI clearance and posting?

Thanks!

Debra
